WINE LIST

AA Notable Wine List Award 2026/27

INTRODUCTION

Our wine list is shaped by the bottles we most love to drink, pour and recommend, from characterful discoveries to benchmark classics, mature vintages and a few truly exceptional bottles for marking that special occasion.

We want wine to feel both exciting and approachable, which is why we offer an extensive selection by the glass, including our Coravin special selection, making it easy to try something new or revisit an old favourite. All our wines are chosen to offer real value, whatever the price.

At the upper end of the list, wines are selected not simply by label but by vintage, because the right year can say as much as the producer.

All our wines are served in Riedel glassware, using varietal-specific glasses shaped to bring out the aromas, balance and texture of each grape, so each wine shows exactly as it should. We are proud to be personally approved by Maximilian Riedel, owner of Riedel, who has dined with us at Rhubarb.

We are passionate about wine, and very proud that our list has been recognised with an AA Notable Wine List Award for 2026/27.

Whether you know exactly what you are looking for or would like a little guidance, we are always delighted to help you find the right bottle. Above all, we want you to enjoy it.

CHAMPAGNE
POL ROGER

Rhubarb House Champagne

At Rhubarb, we believe Champagne should feel as considered as the food it accompanies and Champagne Pol Roger is a house that embodies exactly that philosophy. Family-owned, fiercely independent, and quietly uncompromising, Pol Roger has built its reputation not on scale, but on consistency, precision and an unwavering pursuit of quality.

What sets Pol Roger apart is not just heritage, but method. Their deep, cool cellars beneath Épernay among the coldest in the region slow the secondary fermentation, creating the house's hallmark: exceptionally fine, persistent bubbles and a remarkable sense of balance. The result is Champagne with clarity, structure and a calm confidence rather than overt showmanship.

There is, too, a sense of history that feels genuine rather than decorative. The enduring relationship with Winston Churchill reflects a Champagne of substance and character — one that values integrity over fashion. As Churchill himself put it:

"My tastes are simple, I am easily satisfied with the best"

4	**Pol Roger, Brut Réserve, France, NV**	**Glass**	**14.5**
		Bottle	**79**

Perhaps best known as Winston Churchill's favourite champagne. A benchmark non-vintage Champagne. White peach, citrus and subtle brioche lead to a finely textured palate, with persistent bubbles and a clean, chalky finish.

8 **Pol Roger, Rosé, Vintage, France, 2018** **132**

Produced only in vintage years, this is a rosé of depth and poise. Red berry fruit, gentle spice and a savoury edge, with impressive length and composure.

9 **Pol Roger, Blanc de Blancs, Vintage, France, 2015** **134**

Grand Cru Chardonnay from the Côte des Blancs. Elegant and precise, with citrus, white flowers and a fine mineral line, balanced by quiet depth and structure.

11 **Pol Roger Cuvée Sir Winston Churchill, France, 2018** **275**

Champagne Pol Roger created their Prestige Cuvée in homage to Sir Winston Churchill. A prestige cuvée of power and restraint. Layers of ripe orchard fruit, brioche and subtle cocoa, underpinned by structure and depth, with a long, commanding finish.

12 **Pol Roger, Rich, Demi Sec, NV** **88**

A softer, more generous side of Pol Roger, with ripe peach, golden apple and warm brioche balanced by a gentle line of freshness. Rounded and silky, with just enough sweetness to make it charming without losing its poise.
